

Recreation

We are excited to be able to offer sports for kids at BFC. We will need you and your family's help to continue to make the season the best it can be. We are attempting to provide you as much information as possible but it is subject to change. Please take a moment and review the season guidelines for the upcoming season.

Communication:

We will communicate with you through email and the SportsEngine app. All notifications of cancellations or closure will be sent through the SportsEngine system via email.

Closures:

BFC Recreation Ministries is subject to close at any point with no notice in order to protect the health and safety of staff, coaches, and players. If BFC Recreation Ministries is unable to have enough staff or coaches available due to illness with COVID-19, we will be unable to hold practices or games. If BFC Recreation Ministries is unable to staff the program due to extended illness we will cancel the season. If practice or games are cancelled due to inclement weather or COVID-19 it is possible they will not be rescheduled.

Sickness

Any person with a temperature of 100.4 or higher will not be allowed to attend practice or a game until cleared of fever for more than 24 hours without aid of medication. *We ask that if you are sick or your child is sick that you do not attend games or a practice.*

COVID-19:

While attending practices and games we ask that parents follow the current CDC guidelines. If your child test positive for COVID-19, they should stay home for at least 5 days from participating in practice or games. If symptoms are improving after the 5th day and your child is fever-free for 24 hours (without aid of medication) your child may return to practice/games.

Season Information:

A parent must be on site during practices and games at all times in case of an emergency.

If a team is unable to play a game the opposing team will hold a practice in place of the game.
